

ALI ZAHIR AL-SAYGH

ABOUT ME

Motivated engineer with a strong programming foundation, experienced in Quality Control, software development, and deep learning. Skilled at solving complex problems and creating innovative solutions. Adaptable and ready to tackle new challenges and deliver high-quality results.

WORK EXPERIENCE

○ 2023

University of Kufa | Najaf, Iraq

Software Development

- Collaborated with development team to develop a graduation tracking system for the University of Kufa.
- Contributed on database design, Golang for back-end, and flutter for front-end.

○ Jan 2022- Dec 2025

Earthlink telecommunication company | Iraq

FTTH Quality Control Engineer

- On-field inspection, testing, and troubleshooting FTTH networks to ensure they meet industry standards.
- Develop software solutions with Python to automate various tasks.
- Innovation and Process Improvement reward | 2024, for developing custom plugin for QGIS which automates data filtering tasks.

○ Apr 2023 - Oct 2024

Earthlink telecommunication company | Remote

Data Analysis and Visualization

- Gather, clean, and analyze reports data using advanced python libraries and MS Power tools.
- Create dashboards with MS Power BI and Excel.

EDUCATION

Bachelor of Electronics and Communication Engineering

University of Kufa | Najaf, Iraq
2017 - 2021

MAIN SKILLS

- Programming and software engineering.
- Mobile apps development with Flutter.
- Front-end and Back-end web development.
- Git and GitHub.
- Database design.
- Power BI and Excel dashboards.
- FTTH testing.

INTERESTS

- Problem solving.
- Web development.
- Mobile app development.
- Machine learning.
- Algorithms & Data structures.

LANGUAGE

Arabic - Native
English - Proficient

TRAINING AND COURSES

○ Neural Networks and Deep Learning

DeepLearning.AI, Coursera, online training | 2019

1. Neural Networks and Deep Learning.
2. Hyperparameter Tuning, Regularization and Optimization.
3. Structuring Machine Learning Projects.
4. And some CNN and RNN.

○ Foundations of Project Management

Google, Coursera, online training | 2023

basic project management skills, roles, and responsibilities across a variety of industries, and how to apply these skills in my daily tasks.
certification of completion
